PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation by the Board of Directors (the "Board") of Wayside Technology Group, Inc. (the "Company") of proxies to be voted at the Annual Meeting of Stockholders (the "Meeting") to be held at Morgens, Waterfall, Vintiadis & Company, Inc., 600 Fifth Avenue, 27th Floor, New York, New York, on June 8, 2011 at 10:00 AM, local time, and at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Any stockholder giving such a proxy may revoke it at any time before it is exercised by written notice to the Corporate Secretary of the Company at the above-stated address or by giving a later dated proxy. Attendance at the Meeting will not have the effect of revoking the proxy unless such written notice is given, or unless the stockholder votes by ballot at the Meeting.

The approximate date on which this proxy statement and the accompanying form of proxy will first be sent or given to the Company's stockholders is April 15, 2011.

VOTING SECURITIES

Only holders of shares of the Company's Common Stock, \$.01 par value per share ("Common Stock"), of record at the close of business on April 1, 2011 are entitled to vote at the Meeting. On April 1, 2011 (the "Record Date"), 4,754,952 shares of Common Stock were issued and outstanding. In addition, on that date, 529,548 shares were held in Treasury by the Company and deemed issued but not outstanding. Each outstanding share of Common Stock entitles the holder thereof to one vote upon all matters to be acted upon at the Meeting. The presence in person or by proxy of holders of a majority in interest of the outstanding shares of Common Stock entitled to vote at the Meeting shall constitute a quorum. The affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy entitled to vote at the Meeting is necessary to elect the nominees for election as Directors. Accordingly, shares not voted in the election of Directors (including shares covered by a proxy as to which authority is withheld to vote for all nominees) and shares not voted for any particular nominee (including shares covered by a proxy as to which authority is withheld to vote for only one or less than all of the identified nominees) will not prevent the election of any of the nominees for Director. To ratify the appointment of EisnerAmper LLP as the Company's independent registered public accounting firm for 2011 and for all other matters, if any, submitted to stockholders at the Meeting, if a quorum is present, the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Meeting and entitled to vote is required for approval. As a result, abstention votes will have the effect of a vote against such matters. Abstentions and broker non-votes with respect to the ratification of the appointment of EisnerAmper LLP as the Company's independent registered public accounting firm for 2011 are counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Meeting. Broker non-votes are not counted for any purpose in determining whether a matter has been approved.

If the enclosed proxy is properly executed and returned, the Common Stock represented thereby will be voted in accordance with the instructions thereon. If no instructions are indicated, the Common Stock represented thereby will be voted FOR the election of each of the nominees set forth under the caption "Election of Directors", and FOR the ratification of the Company's independent public accountants and, in the discretion of the persons named in the proxies as proxy appointees, as to any other matter that may properly come before the Meeting.

Your vote is important. Accordingly, you are urged to fill in, sign, date and return the accompanying proxy card whether or not you plan to attend the Meeting. If you do attend, you may vote by ballot at the Meeting, thereby canceling any proxy previously given.

CORPORATE GOVERNANCE

Role of the Board of Directors

In accordance with the General Corporation Law of the State of Delaware and our certificate of incorporation and bylaws, our business, property and affairs are managed under the direction of the Board of Directors. Although our non-employee Directors are not involved in our day-to-day operating details, they are kept informed of our business through written reports and documents provided to them regularly, as well as by operating, financial and other reports presented by our officers at meetings of the Board of Directors and committees of the Board of Directors.

Board Leadership Structure

Simon F. Nynens is currently the Chairman of our Board of Directors and our Chief Executive Officer. Our Board believes that this leadership structure provides the most efficient and effective leadership model for our Company by enhancing the ability of the Chairman and Chief Executive Officer to provide clear insight and direction of business strategies and plans to both the Board of Directors and management. The Board of Directors believes that it can most effectively perform its monitoring and oversight role by acting as a unified whole, with the Chairman also being a member of the management team, and that the advantages of having a CEO Chairman with extensive knowledge of our company (as compared to a relatively less informed independent Chairman) outweigh potential disadvantages.

Another key component of our leadership structure is our strong governance practices designed to ensure that the Board of Directors effectively carries out its responsibility

for the oversight of management. The majority of our directors are independent, and all Board committees are comprised entirely of independent directors. We do not have a lead independent director. Non-management directors meet at each Board meeting in regularly scheduled executive sessions and may schedule additional executive sessions as appropriate. Members of management do not attend these executive sessions. The Board has full access to the management team at all times. In addition, the Board or any committee thereof may retain, on such terms as determined by the Board or such committee, as applicable, in its sole discretion, independent legal, financial and other consultants and advisors to assist the Board or committee, as applicable, in discharging its oversight responsibilities.

Board Oversight of Risk Management

Our Board believes that overseeing how management manages the various risks we face is one of its most important responsibilities to the Company's stakeholders. The Board believes that, in light of the interrelated nature of the Company's risks, oversight of risk management is the responsibility of the full Board. In carrying out this critical responsibility, the Board meets at least annually with key members of management with primary responsibility for management of risk in their respective areas of responsibility.

Meetings of the Board of Directors

The Board of Directors met six times in 2010. Each of the Directors attended at least 75% of all meetings held by the Board of Directors and meetings of each committee of the Board of Directors on which such Director served during 2010.

Communication with the Board of Directors; Director Attendance at Annual Meetings

Stockholders may communicate with a member or members of the Board of Directors by addressing their correspondence to the Board member or members c/o the Corporate Secretary, Wayside Technology Group, Inc., 1157 Shrewsbury Avenue, Shrewsbury, NJ 07702. Our Corporate Secretary will review the correspondence and forward it to the chair of the appropriate committee or to any individual Director or Directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to Wayside Technology Group, Inc., or our business, or is similarly inappropriate. Our Corporate Secretary has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

Recognizing that Director attendance at our annual meetings can provide our stockholders with a valuable opportunity to communicate with Board members about issues affecting our Company, we encourage our Directors to attend each annual

5

meeting of stockholders. All Board members except Mr. Boyer attended last year's annual stockholders' meeting.

Director Independence

The Board of Directors has determined that the following Directors are independent under the Nasdaq listing standards: Messrs. Boyer, Faith, Meyercord, Morgens, Weingarten and Willett.

Committees of the Board of Directors

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Governance Committee.

Audit Committee. The Board of Directors has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Audit Committee (i) monitors the integrity of the Company's financial statements, financial reporting process and internal controls regarding finance, accounting and legal compliance; monitors the independence and performance of our independent registered public accounting firm; (ii) provides an avenue of communication among the independent registered public accounting firm, management (including internal audit) and our Board of Directors; and (iii) monitors significant litigation and financial risk exposure. The current members of the Audit Committee are Messrs. Weingarten (Chairman), Meyercord and Willett, each of whom is independent as defined by the Nasdaq listing standards and applicable SEC rules. The Board of Directors has determined that Mr. Weingarten meets the criteria as an "audit committee financial expert" as defined in applicable SEC rules. The Audit Committee met six times during 2010.

The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of the charter is available on our website at http://www.waysidetechology.com/content.aspx?name=content_auditcharter in the Corporate Governance relations section. The report of the Audit Committee is on page 21 of this proxy statement.

Compensation Committee. The Board of Directors has a Compensation Committee which (i) reviews and monitors matters related to management development and succession; (ii) develops and implements executive compensation policies and pay for performance criteria for the Company; (iii) reviews and approves the initial and annual base salaries, annual incentive bonus and all long-term incentive awards of our Chief Executive Officer; (iv) reviews and approves such compensation arrangements for all executive officers and certain other key employees; (v) approves stock-related incentives under our stock incentive and executive compensation plans, and exercises all powers of the Board of Directors under those plans other than the power to amend or terminate those plans and other than with respect to non-employee directors, which determinations are subject to Board approval; (vi) reviews and approves material matters concerning our employee compensation and benefit plans; and (vii) carries out such responsibilities as have been delegated to it under various compensation and benefit plans and such other responsibilities with respect to our compensation matters as may be referred to it by our Board of Directors or management. Under its charter, the Compensation Committee may form and delegate authority to subcommittees or, to the extent permitted under applicable laws, regulations and Nasdaq rules, to any other independent director, in each case to the extent the Compensation Committee deems necessary or appropriate. The Compensation Committee has the right to consult with or obtain input from management but, except as expressly provided in its charter, may not delegate any of its responsibilities to management. The current members of the Compensation Committee are Messrs. Meyercord (Chairman), Morgens and Willett, each of whom is independent as defined by the Nasdaq listing standards. The Compensation Committee met two times during 2010.

The Compensation Committee operates under a written charter adopted by the Board of Directors, a copy of which is available on our website at http://www.waysidetechology.com/content.aspx?name=content_compcharter in the Corporate Governance section. The report of the Compensation Committee is on page 21 of this proxy statement.

Nominating and Governance Committee. The Board of Directors has a Nominating and Governance Committee which identifies individuals qualified to become Board members and recommends to the Board director nominees for election at the next Annual Meeting of Stockholders. Currently, the members of the Nominating and Governance Committee are Messrs. Boyer (Chairman), Willett and Weingarten, each of whom is independent as defined by the Nasdaq listing standards. The Nominating and Governance Committee met once during 2010. The Nominating and Governance Committee operates under a written charter adopted by the Board of Directors. The Nominating and Governance Committee charter is available in the Corporate Governance section of our website at http://www.waysidetechology.com/content.aspx?name=content_nomincharter.

6

Director Nominations

The Nominating and Governance Committee will consider recommendations for directorships submitted by our stockholders. Stockholders who wish the Nominating and Governance Committee to consider their recommendations for nominees for the position of Director should submit their recommendations, in accordance with the procedures set forth below, in writing to: Corporate Secretary, Wayside Technology Group, Inc., 1157 Shrewsbury Avenue, Shrewsbury, NJ 07702. In order to be considered for inclusion in the proxy statement and form of proxy for the annual meeting of stockholders to be held in 2012, the stockholder's notice must be received by our Company not less than 120 days nor more than 150 days before the first anniversary of the date of this proxy statement.

For nominations, such stockholder's notice shall set forth as to each person whom the stockholder proposes to nominate for election as a Director: (A) the name, age, business address and residential address of such person; (B) the principal occupation or employment of such person; (C) the class and number of shares of stock of our Company that are beneficially owned by such person; (D) any other information relating to such person that is required to be disclosed in solicitations of proxies for election of Directors or is otherwise required by the rules and regulations of the SEC promulgated under the Exchange Act; and (E) the written consent of the nominee to be named in the proxy statement as a nominee and to serve as a Director if elected. In addition, as to the stockholder giving the notice, such notice shall state: (A) the name, business address, and residential address, as they appear on our stock transfer books, of the nominating stockholder; (B) a representation that the nominating stockholder is a stockholder of record and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (C) the class and number of shares of stock of our Company beneficially owned by the nominating stockholder; and (D) a description of all arrangements or understandings between the nominating stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the nominating stockholder.

In its assessment of each potential candidate, the Nominating and Governance Committee will review the nominee's professional ethics, integrity and values, skills, judgment, experience, independence, commitment to representing the long-term interests of the stockholders, understanding of our Company's or other related industries and such other factors as the Nominating and Governance Committee determines are pertinent in light of the current needs of the Board of Directors. The Nominating and Governance Committee seeks to identify candidates representing diverse experiences at policy-making levels in business, management, marketing, finance, human resources, communications and in other areas that are relevant to our activities. The Nominating and Governance Committee will also take into account the ability of a Director to devote the time and effort necessary to fulfill his or her responsibilities to our Company. After full consideration, the stockholder proponent will be notified of the decision of the Nominating and Governance Committee.

Nominees may also be recommended by Directors, members of management, or, in some cases, by a third party firm. In identifying and considering candidates for nomination to the Board, the Nominating and Governance Committee considers, in addition to the requirements described above and set out in its charter, quality of experience, our needs and the range of knowledge, experience and diversity represented on the Board. Each Director candidate will be evaluated by the Nominating and Governance Committee based on the same criteria and in the same manner, regardless of whether the candidate was recommended by a Company stockholder or by others. The Nominating and Governance Committee will conduct the appropriate and necessary inquiries with respect to the backgrounds and qualifications of all Director nominees. The Nominating and Governance Committee will also review the independence of each candidate and other qualifications of all Director candidates, as well as consider questions of possible conflicts of interest between Director nominees and our Company.

After the nominating and governance committee has completed its review of a nominee's qualifications and conducted the appropriate inquiries, the Nominating and Governance Committee will make a determination whether to recommend the nominee for approval by the Board of Directors. If the Nominating and Governance Committee decides to recommend the director nominee for nomination by the Board of Directors and such recommendation is accepted by the Board, the form of our proxy solicited will include the name of the director nominee.

Compensation Discussion and Analysis

Overview

The Company's primary objective is to maximize stockholder value. As a result, the Compensation Committee (the "Committee"), the members of which are Mr. F. Duffield Meyercord (Chairman), Mr. Edwin H. Morgens, and Mr. William H. Willett, strives to ensure that the Company's executive compensation programs will enable the Company to attract, retain and motivate key people required to execute the Company's business strategy and lead the Company to achieve its long-term growth and earnings goals. The Committee believes that the total compensation of executive officers should reflect their leadership abilities, their initiative, the scope of their responsibilities, the success of the Company and the past and expected future contribution of each executive to that success. The Committee seeks to foster a performance-oriented environment by tying a significant portion of each executive's cash and equity compensation to the achievement of performance targets that are important to the Company and its stockholders.

In recent years, the Company's executive compensation program has had three elements: base salary, an annual Performance Bonus Plan, and stock-based incentives. In general, the Committee has recommended and the Board has established a Performance Bonus Plan with respect to each succeeding fiscal year. However, the Committee and the Board are under no obligation to do this, and they have the power to consider other approaches to compensation. In March 2009, the Committee recommended and the Board adopted a Performance Bonus Plan for fiscal year 2010 (the "2010 Performance Bonus Plan"). Cash incentive payments under this plan depend upon the Company's actual annual performance meeting or exceeding thresholds set in an operating plan developed by management and approved by the Board at the beginning of the fiscal year and each executive officer's contribution toward achieving that plan.

Target Total Cash Compensation

Target total cash compensation for each executive is established primarily based on peer group data. The Committee included companies in the peer group (PC Connection, Inc., Insight Enterprises, Inc., Zones Inc., Arrow Electronics Inc. and Avnet, Inc.) that the Committee believes are competitors of the Company for executive talent. A combination of proxy and executive salary survey data were the primary sources used to develop the analysis. The Committee has not relied on compensation consultants.

Base Salary and Performance Bonus Plan

Total cash compensation for 2010 is divided into a base salary portion and a bonus. Many factors are considered in determining the base salaries for executive officers, including the value that each individual brings to the Company through experience, education and training, comparable positions and comparable responsibilities at similar organizations, the specific needs of the Company, and the individual's past and expected future contributions to the Company's success.

The principal targets in the Company's 2010 Performance Bonus Plan were operating profit as well as segment contribution margin. Segment contribution margin represents segment revenue less the respective segment's cost of revenues as well as segment direct costs (including such items as payroll costs and payroll related costs, such as profit

sharing, incentive awards and insurance) and excluding general and administrative expenses not attributed to a business unit. Specific targets for each executive officer were determined by the Committee based on a review of the Company's 2010 budget prepared by management and the factors described above. The targets are set at levels that, upon achievement of 100% of the target performance, are likely to result in bonus payments that the Committee believes to be comparable to our peer data group. The following table shows, for fiscal year 2010, the potential range of bonus awards and the actual bonus awarded as a percentage of base salary, for each of the Named Executive Officers. Bonuses for Messrs. Nynens and Scull are based on operating income performance, bonuses for Messrs. Jamieson, Legrottaglie and Bevis are based on contribution margin performance and operating income.

Richard Bevis	7%-30%	26%	4-17%	17%

Equity Incentive

The Company's executive officers are eligible to receive equity incentive awards under the Company's equity incentive plans. The primary goal of the Company is to create long-term value for stockholders, and accordingly the Committee believes that equity incentive awards provide an additional incentive to executive officers to work towards maximizing stockholder value. The Committee views equity incentive awards as one of the more important components of the Company's long-term, performance-based compensation philosophy. The grant of equity incentive awards to executive officers encourages equity ownership in the Company, and closely aligns executive officers' interests to the interests of the stockholders.

Equity incentive awards are provided through initial grants at or near the date of hire and through subsequent periodic grants. Equity incentive awards granted by the Company to its executive officers and other employees have exercise prices not less than the fair market value of the stock on the date of the grant or award. Equity incentive awards vest and become exercisable at such time as determined by the Board or the Committee. The initial grant is designed for the level of skills required to fulfill the executive's responsibilities and is designed to motivate the officer to make the kind of decisions and implement strategies and programs that will contribute to an increase in the Company's stock price over time. Periodic additional equity incentive awards within the comparable range for the job are granted to reflect the executive's ongoing contributions to the Company, to create an incentive to remain at the Company and to provide a long-term incentive to achieve or exceed the Company's financial goals.

In February 2010, the Company granted each Named Executive Officer (other than Mr. Nynens) 10,000 shares of restricted Common Stock. These restricted shares vest in equal installments over 60 months. In addition, the Company granted 50,000 restricted shares to Mr. Nynens containing the same vesting terms.

In May 2009, the Company granted each Named Executive Officer (other than Mr. Nynens) 10,000 shares of restricted Common Stock. These restricted shares vest in equal installments over 60 months. In addition, the Company granted 50,000 restricted shares to Mr. Nynens containing the same vesting terms.

In February 2008, the Company granted each Named Executive Officer (other than Mr. Nynens) 5,000 shares of restricted Common Stock. These restricted shares vest in equal installments over 60 months. In addition, the Company granted 25,000 restricted shares to Mr. Nynens containing the same vesting terms.

In August 2006, each executive officer received a grant of 10,000 shares of restricted Common Stock that vest in equal installments over 60 months. In addition, Mr. Nynens, in connection with his promotion to President and Chief Executive Officer, and under terms of his employment agreement, was granted 200,000 shares of restricted Common Stock that vest in equal installments over 120 months.

13

Compensation of the Executive Chairman, and the Chief Executive Officer

The factors considered by the Committee in determining the compensation of the Chief Executive Officer, in addition to the criteria discussed above, include the Company's operating and financial performance, as well as the individual's leadership and establishment and implementation of the strategic direction for the Company. The Committee considered as part of its subjective evaluation, among other factors, such executive's reputation and contacts in the business community (including Mr. Nynens' contacts in the computer software industry), and his extensive knowledge of finance and accounting. The compensation of the Company's Chief Executive Officer in 2010 consisted of a base salary, an automobile allowance, performance bonus and stock awards. The total compensation package was established considering compensation of peer chief executive officers with similar executive responsibilities.

EMPLOYMENT AND SEVERANCE AGREEMENTS

Each of the Named Executive Officers has entered into an agreement that includes a covenant not-to-compete and a confidentiality provision. The covenant not-to-compete prohibits the executive for a period of one year after termination from engaging in a competing business. Such covenant also prohibits the executive from directly or indirectly soliciting the Company's customers or employees.

On January 9, 2006, the Company appointed Simon Nynens to be its President and Chief Executive Officer and entered into a related employment agreement with Mr. Nynens, dated as of January 12, 2006. The agreement provides for a base salary of \$250,000 and a bonus, pursuant to a bonus plan adopted by the Board of Directors. Additionally, after approval of the 2006 Plan (defined below), Mr. Nynens was awarded 200,000 shares of restricted Common Stock in connection with his appointment, which shares vest in equal monthly increments over 120 months.

In the event that Mr. Nynens' employment is terminated without cause or by the rendering of a non-renewal notification, he is entitled to receive severance payments equal to twelve months cash compensation, immediate vesting of all outstanding equity awards, and to purchase the car used by him at the "buy-out" price of any lease or fair market value, as applicable. Additionally, in the event that a change of control of the Company occurs (as described below under "Potential Payments Upon Termination or Change of Control"), Mr. Nynens' outstanding equity awards become immediately vested and he is entitled to receive a lump-sum payment equal to 2.9 times his then annual salary and actual incentive bonus earned in the year prior to such change in control.

The Company has entered into a severance agreement with Mr. Legrottaglie, Vice President of Operations, under which Mr. Legrottaglie is entitled to severance payments for six months at the then applicable annual base salary if the Company terminates his employment for any reason other than for cause.

The payments triggered by such terminations pursuant to Mr. Nynens' and Mr. Legrottaglie's employment agreements, as well as those triggered by a change of control under the employment agreements of all Named Executive Officers, are illustrated in tabular format under "Potential Payments Upon Termination and Change of Control" below.

EMPLOYEE BENEFIT PLANS

The Company provides all employees, including executive officers, with group medical, dental and disability insurance on a non-discriminatory basis. Employees are required to contribute approximately 20% of the premium costs of such policies. The Company has a 401(k) savings and investment plan intended to qualify under Section 401(a) of the Internal Revenue Code (the "Code"), for our domestic employees, which permits employee salary reductions for tax-deferred savings purposes pursuant to Section 401(k) of the Code. The Company matches 50% of domestic employee contributions up to the first 6% of compensation. The Company's total contributions for 2010 were approximately \$131,000.

As described in more detail above under "Base Salary and Performance Bonus Plan", the Company maintains a performance bonus plan for our senior executives which provides for a bonus of up to 150% of the executive's base salary in the event certain performance targets, based upon operating profitability and contribution margin, are achieved and also provides for additional incentive bonuses based upon pre-established metrics. Subject to approval by its Board of Directors, the Company anticipates that a similar type of bonus plan will continue in effect for 2010 and subsequent fiscal years and that bonuses under this plan in the 2010 fiscal year and thereafter will be based on the Company meeting or exceeding profitability targets established by the Compensation Committee.

STOCK PLANS

2006 Plan - The Company's 2006 Stock-Based Compensation Plan (the "2006 Plan") has been established by the Company to (i) attract and retain skilled employees and directors; (ii) motivate participants, by means of appropriate incentives, to achieve long-range goals; and (iii) link participants' interests with those of Wayside Technology Group, Inc.'s stockholders through compensation that is based on the Common Stock, and thereby promote the continued growth and financial success of the Company. At the annual stockholder's meeting held on June 14, 2006, the Company's stockholders approved the 2006 Plan. The 2006 Plan authorizes the grant of Stock Options, Stock Units, Stock Appreciation Rights, Restricted Stock, Deferred Stock, Stock Bonuses, and other equity-based awards. The number of shares of Common Stock initially available under the 2006 Plan is 800,000. The number of shares of Common Stock available for future award grants to employees and directors under this plan is 128,875.

In August of 2006, the Company granted a total of 315,000 shares of restricted common stock to officers, directors and employees. Included in this grant were 200,000 restricted shares granted to the Company's CEO in accordance with his employment agreement. A total of 5,875 shares of restricted common stock were forfeited as a result of employees and officers terminating employment with the Company.

1995 Stock Plan. The purpose of the Company's 1995 Stock Plan (the "1995 Stock Plan") was to provide incentives to officers, Directors, employees and consultants of the Company. Under the 1995 Stock Plan, officers and employees of the Company and any present or future subsidiary are provided with opportunities to purchase shares of Common Stock of the Company pursuant to options which may qualify as ISOs, or which do not qualify as ISOs ("Non-Qualified Options") and, in addition, such persons may be granted awards of stock in the Company ("Awards") and opportunities to make direct purchases of stock in the Company ("Purchases"). Both ISOs and Non-Qualified Options are referred to hereafter individually as an "Option" and collectively as "Options." Options, Awards and Purchases are referred to hereafter collectively as "Stock Rights." The 1995 Stock Plan contains terms and conditions relating to ISOs necessary to comply with the provisions of Section 422 of the Code.

The 1995 Stock Plan authorized the grant of Stock Rights to acquire up to 1,137,500 shares of Common Stock. As of April 12, 2010, a total of 360,640 shares of Common Stock are subject to outstanding Options under the 1995 Stock Plan at exercise prices ranging from \$2.13 to \$12.85 per share. The 1995 Stock Plan expired and terminated on April 21, 2005 (except as to Options outstanding on that date) and no more grants may be made under the 1995 Stock Plan. The 1995 Stock Plan requires that each Option shall expire on the date specified by the Compensation Committee, but not more than ten years from its date of grant in the case of ISOs and ten years and one day in the case of Non-Qualified Options. However, in the case of any ISO granted to an employee or officer owning more than 10% of the total combined voting power of all classes of stock of the Company or any present or future subsidiary, the ISO expires no more than five years from its date of grant.

1995 Non-Employee Director Plan. The purpose of the Company's 1995 Non-Employee Director Plan (the "1995 Director Plan") was to promote the interests of the Company by providing an inducement to obtain and retain the services of qualified persons who are not employees or officers of the Company to serve as members of its Board of Directors ("Outside Directors"). The 1995 Director Plan authorized the grant of options for up to 187,500 shares of Common Stock and provided for automatic grants of nonqualified stock options to Outside Directors.

Under the 1995 Director Plan, each then-current Outside Director has received, and each Outside Director who first joined the Board after April 1995 automatically received

at that time, options to purchase 18,750 shares of Common Stock. As of April 12, 2010, a total of 32,250 shares of Common Stock are subject to outstanding Options under the 1995 Non-Employee Director Stock Plan at exercise prices ranging from \$2.13 to \$3.85 per share. All options granted to Outside Directors have an exercise price equal to 100% of the fair market value on the date of grant. The 1995 Director Plan requires that options granted thereunder will expire on the date which is ten years from the date of grant. Each option granted under the 1995 Director Plan becomes exercisable over a five-year period, and vests in an installment of 20% of the total option grant upon the expiration of one year from the date of the option grant, and thereafter vests in equal quarterly installments of 5%. The 1995 Director Plan expired and was terminated on April 21, 2005 (except as to Options outstanding on that date) and no more grants may be made under the 1995 Director Plan.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our independent registered public accounting firm during the year ended December 31, 2010 was EisnerAmper LLP and its predecessor, Amper, Politziner & Mattia, LLC (for the period prior to its merger into EisnerAmper LLP commencing on January 1, 2010 and concluding on August 16, 2010). EisnerAmper LLP and its predecessors have audited our financial statements since 2002. The Audit Committee has appointed EisnerAmper LLP to serve as the Company's independent registered public accounting firm for 2011. While we are not required to have the stockholders ratify the selection of EisnerAmper LLP as our independent auditors, we are doing so because we believe it is a matter of good corporate practice. If the stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain EisnerAmper LLP; however, the Audit Committee will not be under any obligation to adhere to the stockholders' vote on this proposal, and in its full discretion may choose to maintain EisnerAmper LLP as the Company's independent auditors. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

One or more representatives of EisnerAmper LLP are expected to be present at the meeting. They will have the opportunity to make a statement and will be available to respond to appropriate questions.

Fees and Independence

On August 16, 2010, the Company and the Audit Committee were notified that Amper, Politziner & Mattia, LLP, the Company's independent registered public accounting firm at that time, (i) combined its practice with that of Eisner LLP; (ii) would thereafter operate under the name EisnerAmper LLP; and (iii) that, as a result of this combination, Amper, Politziner & Mattia, LLP would not be able to stand for re-election as the Company's independent registered public accounting firm. The Company's Audit Committee engaged EisnerAmper LLP to serve as the Company's new independent registered public accounting firm effective August 16, 2010. The Company previously filed Form 8-K on August 17, 2010 disclosing this change.

During the Company's fiscal years ended December 31, 2009 and December 31, 2010, the audit reports of Amper, Politziner & Mattia, LLP on the consolidated financial statements of the Company as of and for the years ended December 31, 2008 and December 31, 2009 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audit of the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2008 and December 31, 2009 and through the date we engaged EisnerAmper LLP, there were (i) no disagreements between the Company and Amper, Politziner & Mattia, LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Amper, Politziner & Mattia, LLP would have caused Amper, Politziner & Mattia, LLP to make reference to the subject matter of the disagreement in their report on the Company's financial statements for such year or for any reporting period since the Company's last fiscal year end and (ii) no reportable events within the meaning set forth in item 304(a)(1)(v) of Regulation S-K.

During the Company's fiscal years ended December 31, 2008 and December 31, 2009, and through the date we engaged EisnerAmper LLP, the Company did not consult with Eisner LLP regarding any of the matters or reportable events set forth in Item 304(a)(2) of Regulation S-K.

Audit Fees. We paid EisnerAmper LLP an aggregate of \$55,125 for professional services rendered for the audit of our financial statements for the year ended December 31, 2010 and its reviews of our unaudited financial statements included in our quarterly reports on Form 10-Q for the quarterly periods in the year ended December 31, 2010. We paid Amper, Politziner & Mattia LLP an aggregate of \$55,650 and \$115,500, respectively, for professional services rendered for the audit of our financial statements for the year ended December 31, 2009 and its reviews of our unaudited financial statements included in our quarterly reports on Form 10-Q for the quarterly periods in the years ended December 31, 2010 and 2009, respectively.

Audit-Related Fees. During the fiscal years ended December 31, 2010 and 2009, we paid Amper, Politziner & Mattia LLP an aggregate amount of \$22,050 for audit related services for services not directly related to the audit of the Company's

22

financial statements which includes audits of benefit plans, financial due diligence and special projects.

Tax Fees. The aggregate fees billed for professional services rendered by Amper, Politziner & Mattia LLP during fiscal years 2010 and 2009 for tax compliance, tax advice and tax planning in connection with the preparation and filing of the Company's corporate income tax returns, were \$20,010 and \$20,000, respectively. The aggregate fees billed for professional services rendered by EisnerAmper LLP during fiscal years 2010 for tax compliance, tax advice and tax planning in connection with the preparation and filing of the Company's corporate income tax returns were \$8,400.

All Other Fees. During the fiscal years ended December 31, 2010 and 2009, EisnerAmper LLP and Amper, Politziner & Mattia, LLP did not provide or bill for other services not included above.

The Audit Committee has determined that the provision of services by EisnerAmper LLP described in the preceding paragraphs is compatible with maintaining EisnerAmper LLP independence. All permissible audit and non-audit services provided by EisnerAmper LLP and Amper, Politziner & Mattia, LLP in 2009 and 2010 were pre-approved by the Audit Committee on a case-by-case basis.

GENERAL

The Company does not know of any matters other than those stated in this proxy statement which are to be presented for action at the Meeting. If any other matters should properly come before the Meeting, proxies will be voted on these other matters in accordance with the judgment of the persons voting the proxies. Discretionary authority to vote on such matters is conferred by such proxies upon the persons designated therein as proxy appointees. The Company will bear the cost of preparing, printing, assembling and mailing all proxy material which may be sent to stockholders in connection with this solicitation. Arrangements will also be made with brokerage houses, other custodians, nominees and fiduciaries, to forward soliciting material to the beneficial owners of the Company's Common Stock held by such persons. The Company will reimburse such persons for reasonable out-of-pocket expenses incurred by them. In addition to the solicitation of proxies by use of the mails, officers and regular employees of the Company may solicit proxies without additional compensation, by telephone, telecopy or telegraph. The Company does not expect to pay its officers or employees any compensation for the solicitation of proxies.

Householding

Beneficial owners of common stock who share a single address may receive only one copy of the Notice or the proxy materials, as the case may be, unless their broker, bank or nominee has received contrary instructions from any beneficial owner at that address. This practice, known as "householding," is designed to reduce printing and mailing costs. If any beneficial shareholder(s) at such an address wish to discontinue householding and receive a separate copy of the Notice or the proxy materials, as the case may be, or if they currently receive multiple copies at the same address and wish to receive only a single copy in the future, they may contact Broadridge, either by calling (800) 579-1639, or by writing to Broadridge, Household Department, 51 Mercedes Way, Edgewater, New York, 11717.

The SEC rules set forth standards as to what stockholder proposals are required to be included in a proxy statement.

OTHER STOCKHOLDER PROPOSALS FOR PRESENTATION AT THE COMPANY'S 2012 ANNUAL MEETING

For any proposal that is not submitted for inclusion in next year's proxy statement by the deadline identified above, SEC rules permit management to vote proxies in its discretion if the Company: (a) receives notice of the proposal more than 45 days prior to the anniversary of the mailing date of this proxy statement and the Company advises stockholders in next year's proxy statement about the nature of the matter and how management intends to vote on such matter, (subject to the right of the proposing stockholder to deliver a proxy statement and proxy of its own in compliance with the terms of Rule 14a-4(c)(2) under the Exchange Act), or (b) does not receive notice of the proposal at least 45 days prior to the anniversary of the mailing date of this proxy statement.
